SUPPLY LIST:

* An 8" or 10" wooden embroidery hoop, fitted with muslin. An inexpensive hoop will do if you want to keep sampler in the hoop permanently as a reference. Or, substitute an 11" pvc quilting frame if you already own one....do not purchase it especially for class.

* sewing needle - the smallest quilting between you can thread, sizes #10, #11, & #12 generally work well

* applique needle - suggest size # 10 or 11 (also known as a "sharp")

* small ruler - 6" long x 1" wide is adequate

* lead pencil

* small shallow dish for beads - avoid plastic if possible

* small sharp scissors or thread clips

* Ott light and extension cord - optional....you may end up dragging it with you only to find it's not possible to plug in due to the room set-up. I always request nice bright classrooms and when we are lucky they are available!

* Optional - "The Stori of Beaded Embellishment", by Mary Stori - if you own it, please bring to class....it is NOT necessary to purchase this book for the class. I'll have copies of all my current books for sale.

Supply fee: \$6.00 payable to instructor is required. Kit contains a variety of beads, embellishment items, and thread.

Instructor will also have needles & some pvc frames available for purchase.
