This workshop features live video projection. Every student will have a front row seat, no matter where they sit in the room!

SUPPLY LIST:

- * An 8" or 10" wooden embroidery hoop, fitted with muslin. An inexpensive hoop will do if you want to keep sampler in the hoop permanently as a reference. Or, substitute an 11" pvc quilting frame if you already own one.
- * sewing needle - the smallest quilting between you can thread, sizes #10, #11, & #12 generally work well
- * appliqué needle - suggest size # 10 or 11 (also known as a "sharp")
- * small shallow dish for beads
- * small sharp scissors or thread clips
- * Ott light and extension cord - optional....you may end up dragging it with you only to find it's not possible to plug in due to the room set-up. I always request nice bright classrooms and when we are lucky they are available!

Supply fee: \$6.00 payable to instructor is required. Kit contains a variety of beads, embellishment items, and thread.

Instructor will have her books, some pvc frames, needles, and other beading supplies available in class for sale.
