

YOU CAN IMPROVE YOUR QUILTING STITCH!

Instructor - Mary Stori

This class features live video projection allowing every student a front row seat and Mary more time for one-on-one handholding!

SUPPLY LIST:

- * Q-Snap frame (11" x 17" is most comfortable and is recommended by Mary) or a quilt hoop (appx. 14") It is not necessary to purchase a Q-snap frame for class, if you already own a quilt hoop....you may use it.
- * 2 pieces of prewashed muslin & 1 batting piece to fit the hoop or frame - please avoid Warm and Natural, it's nasty to hand quilt! Bring Hobb's Thermore if you have it...again it's not necessary to purchase for class.
- * thimble
- * quilting betweeners - smallest size you have
- * small scissors or thread clips
- * 1 spool quilting thread - color to contrast with muslin
- * optional - pencil and notepaper
- * Ott light and extension cord - *This is optional....you may end up dragging it with you only to find it's not possible to plug in due to the room set-up. I always request nice bright classrooms and when we are lucky they are available!

NOTE - Instructor will offer Q-Snap frames, leather thimbles, and quilting betweeners for purchase in class.
